## Meredith College: The beauty of it all

Ever since I was a child, I have loved being and working outdoors. This worked very well in my home because my sister liked working inside. When the sun was out, so was I. I guess it's because of this interest that I always take note of others' yards. When I see a yard, I can visualize how I think it should look to improve the landscape of it.

I have enjoyed watching our industrious staff at Meredith work on improving the grounds here. The back entrance (behind the senior dorms) looks fantastic. The new grass, trees, and shrubs have added great distinction to

this area.

The lake is another area that is beyond words. The azaleas and dogwoods accent the natural beauty the lake already possesses. What a great place to go to collect your thoughts, have a picnic, talk with a friend.

The open fields around Meredith set this campus apart from others. We are fortunate to have such nice grounds here. Meredith is its own little heaven. Think of all the kites we can fly in the fields, the pick-up football games we can play, the frisbees we can throw.

The only part of the campus that

hasn't been properly manicured is the courtyard. Some dogwoods, red maples, and azaleas would enhance the beauty of this area. The dorms look bare and dismal with the scrappy bushes and unharnessed ivy. I sure wish some attention could be given to the courtyard. That area has so much potential. It could be the most beautiful part of the campus; however, right now, it isn't.

## INSIDE CCL

Overdue books and unpaid fines are a big problem in any library. Your clearing of any delinquency when notified is truly helpful and appreciated.

All delinquencies not cleared with the Carlyle Campbell Library by April 26 will be reported to the Accounting Office.

All overdue materials at this point are

declared lost and treated as such; i.e., the replacement cost of each title is charged to the student's account in the Accounting Office. This will be removed when the material are returned. Fines are also charged to student account.

SO .... Return your books! Pay your fines! Don't get reported to the AO!

## Scholarships offered for study in Oxford, England

A scholarship fund of \$250,000 has been established by Warnborough College of Oxford, England, to make an "Oxford experience" available to more American students.

Under the new Warnborough College program, scholarships of up to \$2,250 are being offered to qualified undergraduate and graduate students of American colleges and universities to study at Warnborough.

The scholarships will cover study at Warnborough for a semester or for a full academic year, with the amount of the award scaled to the period of study.

Warnborough College is a small, independent international institution offering a wide selection of courses in the humanities, social sciences, business, languages, and communication. It has strong links with many American colleges and universities which send students on a regular basis. Study at Warnborough combines the American approach of lectures and workshops with

the traditional British university tutorial system.

Complete details on these scholarships may be obtained from Arthur A. Daitch, U.S. Liaison Officer for Warnborough, P.O. Box 3927, Amity Station, New Haven, CT 06525. Tel. (203) 387-4461.

## Students should earn interest

Students should earn interest from their student fees, the Associated Students of the U. of Oregon is claiming. Its finance coordinator wants the state legislature to turn over the interest earned on student fee surpluses to the ASUO. Under current practice, the state receives the interest on the account, although the money belongs to the students and is used in years when student fees fall short of expected budgets.

## Transcript charges - \$2.00

Charles A. Davis, Associate Dean and Registrar, announced that as of July 1, 1985 the charge for sending transcripts of academic records will be \$2.00 per copy. This is the first rate increase for

transcripts in over 20 years.

Any requests received in the registrar's office by June 30, 1985 will be charged at the old rate of \$1.00 per copy.
