MCA Holds Emphasis Week

by: Kim Peebles

Because of the hard work of the Meredith Christian Association executive council and the office of the campus minister, M.C.A. Emphasis Week was brimming with success.

The purpose of M.C.A.E.W. was to promote religious awareness. It all started on Monday with worship at 10 a.m. Tuesday was "An Evening of Mime" with Doug Berkey. He entertained his audience with juggling, riding the unicycle, and several mime interpretations. There was quite a turn-out to the show; There were several groups that came from off campus as well. The week ended with a chapel service on Wednesday also led by Berky.

American Society for Personnel Administration to Hold Dressing Seminar

by: Libby Avery

Do you know how to dress for success? Do you know what interview clothes make the best impression? Are you aware of the latest trends in business attire? If you answered "no" to any of these questions, then you need to attend the Jos. A. Banks' seminar on "Dressing for Objectives" sponsored by the American Society for Personnel Administration.

On Tuesday, Feb. 20 at 6 p.m., representatives for Jos. A. Banks will be in Kresge Auditorium to demonstrate the latest business fashion secrets. The presentation is open to all Meredith students and faculty, including all majors. The tips will benefit all students preparing to enter the workforce,

especially seniors who are currently interviewing with prospective employers.

After the presentation, students will have an opportunity to ask questions and examine sample clothing. So, if you are struggling to find the "perfect" interview suit, join the American Society for Personnel Administration at the Jos. A. Banks' "Dressing for Objectives" seminar. This could be the best investment of your time spent all semester.

The American Society for Personnel Administration recently co-sponsored the Raleigh-Wake A.S.P.A. meeting on Jan. 16. at the Mission Valley Inn. N.C. State's chapter and Meredith's chapter worked together to determine the topic and to locate the speaker for the noon luncheon.

The speaker for the meeting was Dr. Dennis Daley, director of the master of public administration program at N.C. State. Dr. Daley addressed the topic of performance appraisal systems, and provided a summary of his research in this area.

Join A.S.P.A.'s next meeting on Tuesday, Feb. 20 at 6 p.m. in Kresge Auditorium. Jos. A. Banks will be on campus to present a "Dressing for Objectives" seminar. All Meredith students are welcome.
