

# Meredith Asks

by Marlea Doane

How do you feel about recycling? Should we open it up to other items besides paper?

Kelly Vinson — senior

"I think the Meredith community is environmentally aware enough to appreciate advances in recycling such as glass."

Angela Nelson — junior

"I think it's great. I'd like to see more cans being recycled."

Cammie Hunter — junior

"Recycling other items would be great, but it wouldn't go over as well. It is difficult enough to get people to recycle paper, because they're lazy."

Kelley Nicholson — sophomore

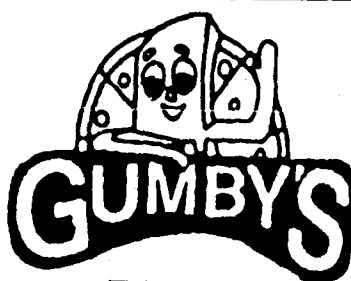

"It gives us a chance to do our part — I think it's great."

Jennifer McLean — senior

"Recycling is a great idea — we need to keep it up at Meredith, but we need to keep the barrels near the trash cans or people won't recycle. Recycling aluminum cans would be good."

Monique Tambellini — senior

"It's an excellent campus project because of all the paper we waste. We should recycle aluminum cans and glass."
