Meredith Athletics

Meredith is a NCAA Division III college committed to blending intercollegiate athletics with a strong academic program, thus providing the student-athlete opportunities to achieve her maximum potential in each. The intercollegiate program offers five sports: golf, tennis, volleyball, basketball, and softball. Synchronized swimming is offered as a non-competition performance sport.

Tennis

The tennis team is coached by Jay Massey, a veteran teacher-coach who incorporates sound fundamentals with an aggressive attacking game. For maximum development, she believes in challenging the team by scheduling a wide variety of competition, arranging from Division III to Division I, as well as NAIA schools. Meredith's teams have enjoyed numerous winning seasons under guidance. Approximately eight to ten of the 24 matches are played in the fall season with the remainder being played in the spring. The majority of the matches are within a 2 - 2 1/2 hour drive and overnight trips are limited to one each season.

Golf

The Golf team is coached by Bill Grady who also serves as assistant Pro at Carolina Trace Country Club. He is an "up and coming" coach, known for his ability to communicate with students, analyze skills and make corrections, and one who can bring new ideas and enthusiasm to the program. The team plays fall and spring seasons, participating in seven or eight tournaments, some of which are: Longwood, James Madison, Duke and William and Mary.

Volleyball

Meredith's winning volleyball team competes against teams throughout North Carolina and Virginia and participates in several tournaments. Meredith plays a power game built around a 6-2 or 5-1 offense. The volleyball team is coached by Marie Chamblee and assistant coach Cindy Bross. Marie Chamblee has been actively involved with the sport of volleyball for over 15 years, both as an intercollegiate player and coach. The volleyball programs has been very successful over the past decade with a 68% winning percentage and nine consecutive winning seasons. The 1990 season opens September 13th and finishes October 30th.

Basketball

Meredith's basketball team is coached by Carl "Sammy" Hatchell, a native of Florence, S.C. A veteran in the coaching ranks, his high school teams reached the State Championship Final Four for 6 straight years, producing two State Runners-up and two State Champions. Coach Hatchell's teams are known for their fast break, high scoring offense and fundamental defense which produces a winning percentage of over 80%. Bringing this up-tempo styles to Meredith, his teams are exciting to watch and equally successful. Meredith Basketball has become highly visible and competitive in recent years. Team membership is decided by tryouts that begin officially on October 16, however, there is some pre-season training and preparation. Anyone interested should contact Coach Carl Hatchell (829-8310) for more detailed information.

Softball

Playing Fast-Pitch, the Meredith Softball Team has enjoyed recent success under the leadership of Coach Hatchell. Competing against scholarship, as well as non-scholarship colleges, Meredith has combined hard hitting, aggressive baserunning, and good fundamental defense to produce winning teams each year. Tryouts are held beginning February 18, 1991. Students should not be discouraged from coming out for the team because of lack of fast-pitch experience, as all North Carolina games are slow-pitch only. Contact Coach Hatchell for more information. Fast-pitch pitchers and catchers are especially encouraged to try out.

Aqua Angels

Meredith's synchronized swimming performing group presents a fall and an annual spring swim show. In addition, the group does clinics, workshops, and additional performances with Duke University and other schools in the Triangle area. The club is composed mostly of students who have taken beginning synchronized swimming courses at Meredith or who have a background in competitive swimming. Tryouts are held in November. Call Carl Brown at 829-8334 for further information.

Step Up to The Mike!

Speech Club forming at Meredith

Neha Kumari Vyas, a Meredith sophomore, announced to the *Herald* the formation of a new campus organization designed for those interested in speech, forensics or debate. If you are interested, please complete the following survey and return to Dr. John Creagh's office (829-8528) in Jones Auditorium as soon as possible. For further information, contact Neha at 848-6521. Thank you!

Name: _____ Phone Number: _____

1. yes no Do you plan on majoring/minoring in the area of Speech and/or Communication?
2. yes no Have you ever been part of either a speech club or a member of a forensics/debate team?
3. yes no If there was a speech club at Meredith, would you be involved? (If yes, what kinds of activities would you be interested in? (example: debates, individual events, public speaking, etc.)
5. yes no If given the opportunity to have a speech team at Meredith, would you like to compete in contests not only at Meredith but also with other established teams at different colleges/universities?
6. yes no Do you feel that the speech club should be restricted only to students who plan to major in speech related areas (as opposed to all students)?
7. How much time would you be willing to contribute to the club?
8. Other comments and suggestions:
