Career Connections

Summer Employment, Internships, Co-Op

March 25 is the deadline for applying for Cooperative Education positions for the summer. Please submit all materials to Office of Career Services, 2nd floor Cate Center by noon, Monday the 25th.

Internships may be arranged through student's faculty advisor.

Summer employment announcements are filed in the Office of Career Services and are accessible during office hours.

All three of the above opportunities are available to students as well as jobs through their own networks. Resumes are generally required in order to apply and remember to treat a summer job just as if you were applying for a permanent position. The competition is the same and your interest, enthusiasm, and savvy will show through the effort you make. Summer work can be a valuable career exploration tool and a means of adding to your professional network.

Disney Underwater

by Amy Bates

Jumping into the pool at 7:00 in the morning will definitely wake up the Meredith Aqua Angels.

The Aqua Angels practice three times a week for an hour to an hour and a half. They have been working hard for their upcoming performance which will be held March 21 and 22 at 8:00pm in Weatherspoon Gymnasium.

The Angels have been counting out the beats to songs like "The Bare Necessities," "Chimney Sweep," "When You Wish Upon A Star" and "The Mickey Mouse Club March." The theme of this year's performance is A World of Disney

Underwater.

Ms. Carol Brown coaches the team: Amy Bates, Melissa Bowen, Mitchell Brown, Jennifer Canter, Laurie Coleman, Michelle DeGrucy, Brice Jones, Christine Richardson, Cathy Stevens, Kim Sullivan, Kim Weisenborn and Jennifer Worster.

Despite Ms. Brown's busy schedule, she has put a lot of time and effort into choreographing and organizing the performance along with the Aqua Angels, the Duke Nereidians will perform.

Please join the Aqua Angels for an exciting performance in A World of Disney Underwater.
