Meredith Community Encouraged to Recycle

by Trista Schagat

As various boxes labeled "GLASS", "PLASTIC", & "NEWSPAPER" begin to overflow in residence hall parlors, one might wonder where the refuse goes. The majority of these boxes must be emptied by willing students.

Unfortunately, office paper is the only material that is officially recycled at Meredith. Several green bins have been placed around campus that are strictly for this purpose. Although the college receives a small amount of money in recognition of their efforts, it is insignificant in comparison with the rental price if these bins, thus, it is

Freshmen Election Results

In

by Gilda Boyd

As Meredith begins another year of fun, excitement and memories, the Class of 1995 also begins to get into the swing of things. One of the first freshman privileges is the chance to elect the class officers.

Much has been done to psych the freshmen up for the elections and the upcoming year. There have been two workshops for elections: one on August 28th and another on August 30th. In these workshops,

essential to put them to good use.

The aluminum that is accumulated is generally disposed of by the housekeeping staff, but newspaper, glass, and plastic must be recycled by the students. According to Charles Taylor, Vice president of Business & Finance, "Meredith College does not have the resources to engage in a sophisticated recycling program. They do, however, strongly encourage students to tie in with city programs."

A small but enthusiastic group has been formed here on campus called STREAM- students Toward Recycling and Environmental Awareness at Meredith. Besides awareness programs and various other activities, STREAM is considering a collective recycling carpool. In order to make this a success, STREAM needs the students support. Anyone interested may call the president, Patricia Sikes, at 829-7887. The next meeting will be Tuesday, September 24 in the Chapel Commons room at 7:00 pm.

A freshman makes her speech

freshmen learn the election process and the required duties for different offices.

In preparation for voting, many steps were taken to assure accuracy and fairness in the elections. First, there was a filing form that was to be filled out by each candidate and turned in on Thursday, September 5th, at the filing box located in Cate Center. Thirty-five people filed for offices. On Monday, September 9th, speeches were held in the Chapel during Insight 101. Here, the freshmen were able to view the competition and choose their favorite candidate. On the same day, the filing cards were placed in the Dining Hall, and voting took place during lunch and dinner.

Elections Board Chair Sara Raynor said that the response to elections from the freshman class was "super." She was also pleased with the turnout at the workshops. If you have any questions concerning campus elections, please contact Sara Raynor.

The following were candidates for the listed office:

PRESIDENT:

- Mary Hasty Barron
- Nicki Bettini
- * Amy Bond
- Tessie Chambliss
- Jennifer Pitts
- Lisa Robinson
- Stephanie Singleton
