## A Streetcar Named Desire Coming to Meredith

Chopstick Theater, Charleston's professional resident theater company, will be bringing its highly praised production of A Streetcar Named Desire to Meredith College on January 9th and 10th. This Pulitzer Prize winning drama of post-War New Orleans, was the hit of Chopstick Theater's 1990 FESTIVAL OF CLASSICS, continually selling out. Tennessee Williams' gripping drama tells the story of a Southern gentlewoman, Blanche Dubois, and her struggle for beauty and sanity in the heartless modern world of her brother-in-law, Stanley Kowalski.

This is not a Meredith Performs event, but rather performances sponsored by Meredith Theatre to help raise funds for attending the Southeastern Theatre Conference in March at Orlando. We are interested in presenting it on campus for the students, faculty, and staff because live performances of Streetcar are somewhat infrequent.

Critic Carol Furtwangler said of this production, "the cast, with intensity and power, recreated Williams; earthy New Orleans characters that were designed to shock audiences four decades ago." As part of Chopstick Theater's 1990 FESTIVAL OF CLASSICS at the historic Dock Street Theater, Streetcar was an unqualified hit, continually playing to sell out crowds.

During the day, the company will also perform Fractured Fairytales while they are here. The Raleigh and Meredith communities are welcome to attend. Several groups of children and parents will be coming to Meredith to enjoy these performances.

## 31 Seniors Nominated for Who's Who

The Office of public Relations has released the Meredith seniors who have recently been elected to Who's Who Among Students in American Universities and Colleges. Thirty-one students from a senior class of over three hundred and seventy have been selected as national outstanding campus leaders. They join an elite group of students chosen from more than 1,400 institutions of higher learning in all 50 states, the District of Columbia and several foreign nations.

Campus nominating committees and editors of the national directory have chosen these students based on their academic achievement, service to the community, leadership in extracurricular activities and potential for continued success. A student was considered eligible if she had completed 90 semester hours, and had at least a 2.5 quality point ratio. Congratulations!!!

## Silver Shield Inducts Nine Members

by Erin Barksdale and Jacqui Dato

Silver Shield, the honorary leadership society at Meredith College, held its fall inductions on Monday, December 2. Six senior and three junior associate members were elected into the society based on several criteria.

Silver Shield members are chosen based on service to the school, leadership qualities, an understanding between faculty and students, and a commitment to the Honor System. The inductees are easily recognizable by the maroon bow they are wearing on their shirts.
