Little Friends Weekend Dates Announced

by Marion Grizzard and Dana Roberson,
Little Friends Co-Chairs

Every year the Meredith community sets a weekend aside to invite "little friends" (children between the ages of four and twelve) to participate in activities that focus on fun and fellowship. The Meredith Recreation Association would like to invite you and a little friend to participate in the weekend which will be held March 21 - 22. This weekend is packed with great activities for your friend. These activities include arts and crafts, games, a worship service, and much more. We invite you to bring boys and girls to this special weekend. We apologize for any inconvenience, but we will not be able to house boys on campus.

There will be a registration fee of \$20.00 for each child. This price includes all food and supplies used during the weekend. You must accompany your little friend at all times during the weekend. If you would like to invite a little friend to attend this, please complete the registration form below and return it, along with the \$20.00 registration fee, to Marion Grizzard, 317 Poteat by February 28, 1992. For more information, contact Marion Grizzard at X7614 or Dana Roberson at X7728.

Look for the Little Friends Weekend Registration form on page eight of this edition of the Meredith Herald.

Office of Dean of Students Holds Drawing to Determine Off-Campus Housing

by Karen Howell, Residence Hall Board Chair

On Tuesday, February 18, 1992, the Office of the Dean of Students held the off-campus housing drawing to determine which students would be granted permission to live off-campus, effective Fall semester, 1992. Each group or individual had one form entered in the drawing. A separate drawing was held for juniors and seniors.

The forms were drawn at random, and coincidentally, the exact number for the off-campus quota was drawn. Twelve rising juniors and twenty-four rising seniors were granted permission to move off-campus.

Once the quota was reached, the drawing continued in order to compile a waiting list. Twenty-five rising seniors and twenty-one rising juniors were placed on the waiting list. The students on the waiting list will be granted permission to move off-campus only if one of the original twelve or twenty-four students already granted permission decide to remain on-campus.

The thirty-six students whose names were drawn do not include students who receive special permission from Dean Sizemore, Dean of Students, and Janice McClendon, Director of Student Life. Special permission is granted only in the case of medical or financial need, both of which must be documented with a letter from the student's parents, as

Security Announces Changes in Policy on Weekend Parking

by Dan Shattuck, Chief of Security

While a student at Meredith College, your personal safety and security of your residence is of paramount importance. Unregistered cars on campus make it difficult to know whether or not the vehicle belongs to a student or a potential assailant. Moreover, cars that block emergency lanes or part in no parking areas in front of buildings will hinder fire and other emergency vehicles.

In an effort to insure a safe community, parking regulations on campus will be enforced 7 days a week, 24 hours a day. It is mandatory that the following regulations immediately go into effect for safe and courteous parking.

1. All unregistered vehicles must park in the commuter parking lot on WEEKENDS

ONLY. unregistered vehicles are NOT ALLOWED AT ANY OTHER

TIME OR PLACE under any circumstances unless cleared by security.

2. Sophomore and Junior stickers are not acceptable in Senior parking spaces

under any circumstances.

3. Do not park in fire lanes between dorms or the front of Johnson Hall or

other "no parking" areas.

These regulations will be enforced and violations may result in receiving a ticket, a "vehicle boot," the vehicle being towed at the owner's expense, or a combination of the above.

Again, this is an attempt to be clear about our regulations and to better provide for your personal safety and the safety of our campus. Your continued cooperation is essential in keeping Meredith a nice community in which to enjoy.

Seating at Founder's Day Convocation Will Be First Come, First Serve

In last week's *Herald*, we reported that tickets to the Founder's Day Convocation to be held on Monday, February 24, with Representative Pat Schroeder as guest speaker, required reserved seating. This was a misunderstanding; as with most convocations, students will be seated on a first come, first serve basis. This

event is not open to the public. We apologize to the Office of Public Relations for the confusion. We encourage everyone to attend Ms. Schroeder's address, because not only does this promise to be an enlightening and challenging speech, it is also one of the closing events of Meredith College's Centennial year.
