

# Volleyball team continues successful season

by Amy Whitt

The volleyball team won three matches in a row before losing to Lynchburg 3-1 on Saturday. Although the loss broke the team's winning streak, Coach Chamblee is pleased with the way the team has been playing.

The team beat Wesleyan 15-3, 15-9, 16-14. Coach Chamblee felt that her team was well prepared and played well as a team. Beckie Hines had strong hits, and setters Kristi Narron and Jennifer Thompson got the ball to the hitters consistently.

Although the game against Salem began slow, the team picked up its intensity and began to get things started. Beckie Hines provided the team with 5-6 kills a game and freshman Heather Shook played the net well by blocking several of Salem's attempts to score.

The team played its best game up to this point on Friday against Randolph Macon Woman's College, winning 15-17, 15-8, 15-9, 15-5. Coach Chamblee states, "Overall, we moved better and our teamwork was much better."

Sophomore Jamie Richards, a middle hitter, had an outstanding game, according to Chamblee. "She had great blocking, was very aggressive, and had about 5 kills a game," Chamblee said.

Things are looking good for the team, and a big part of that is due to the adjustment to its new defensive strategies. Jamie Richards is pleased with the team's improvement. "I feel like we're really coming together as a team," she said.

The volleyball team has two upcoming home games: Tuesday, October 6 at 6 p.m. versus Salem and Thursday, October 8 at 7 p.m. versus Mt. Olive.

## Sigma Chi sponsors Derby Days

by Beth Lowry

This week NC State University's chapter of Sigma Chi will be sponsoring its annual Derby Days. Derby Days is a charity event which raises money for United Cerebral Palsy.

Sigma Chi Derby Days at NCSU was started 15 years ago. State sororities and area women's colleges, Meredith, Peace and St. Mary's, participate in spirit events, field events, and fundraising. The most exciting and anticipated event is tonight's line dance. Meredith students have been working hard since the beginning of September on the Derby Days line dance.

Cerebral palsy is a condition caused by damage to the brain during pregnancy, labor, or shortly following birth. It is estimated that some 500,000-700,000 children and adults have symptoms of cerebral palsy. United Cerebral Palsy is a national network which provides services, conducts public and professional education programs, and supports research in cerebral palsy.

Derby Days events will be held Sept. 30- Oct. 3 at the Sigma Chi house.

## Flag football marked by forfeits

by Sara Maultsby

Half of the teams in Meredith Recreation Association's flag football league have been eliminated, leaving eight teams in the quarter final round. Most of last week's losses were forfeits in this single elimination tournament.

First and Second Barefoot defeated Third and Fourth Barefoot, and Fourth Vann beat First Vann. Second Stringfield won over Fourth Stringfield, while Third Brewer defeated Second Faircloth.

Second Stringfield is scheduled to play Third Brewer at 5 p.m., Sept. 30, and First and Second Barefoot will play Fourth Vann at 4 p.m., Oct. 1.

The winner between First Faircloth and Third Faircloth will advance to play Third Potat.

The Superbowl will be held on Oct. 6. The winner of that game will play a faculty team on Oct. 7.
