

# Basketball team anticipates strong season

by Kate Stewart

The 1992-93 Meredith Basketball season is about to get underway.

According to Basketball Coach Carl Hatchell, the Angels have a chance at having a very good season. He thinks that this year's team is the best that Meredith has ever had, with several returning players from last year and some good new members who will make Meredith a legitimate competitor this year. Coach Hatchell does have a few concerns about this year's team as they have no depth at the point guard and they have some players who will be coming off injuries.

Among this year's returnees are Co-Captains Sylvia Newman, who averaged 31 points a

game last year, and Jennifer Norris, who was a big part of last year's squad until her unfortunate knee injury. Both are looking forward to this season, and Norris in particular says that her knee is recovering well from surgery, although it is not quite yet 100%. Another returnee, Jenny Stoneham, also has high hopes for this season as she is excited about the new players and the deep bench that Meredith will have, of which the team could not take advantage of during last season. Other returning players are Leslie Cox, who is also coming off of a knee problem, Rachel Gilley, and Luanne Cable.

This year's new players are Amy Whitt, Carla Black, Karen Smith, and Emily Brown. Whitt is a sophomore who is coming off a torn achilles tendon and Carla Black, a senior transfer who will be able to contribute to the team. Karen Smith and Emily Brown

are two freshmen who were both recruited by Coach Hatchell. Brown is recovering from a knee injury, but good things are expected from her. Smith in particular is looking forward to the season as she feels that Meredith has a good team this year. She also wants to be a strong factor and wants to be able to contribute to the team in a positive way.

Due to NCAA regulations, practice did not begin until Nov. 1, instead of the usual Oct. 15. Practice time was cut substantially because of the late start, but it should not affect the team too much. Meredith's first two games are Nov. 20 at Shenadoah and Nov. 21 at Randolph Macon Women's College. Their first home game is Nov. 24, 7 p.m., against Mt. Olive College.

## Meredith Dance Works to be staged

Meredith Dance Theatre presents its annual fall dance concert, *Dance Works '92*, Nov. 20 and 21, 8:00 p.m. in Jones Auditorium. The concert features *Bench Quartet*, choreographed by guest artist Doug Varone.

Local choreographer Carol Richard premieres *Other Stations*, a sextet that includes music by The Red Hot Chili Peppers. *Body Parts*, a new work by Sherry Taylor, faculty, uses dancers' personal experience to focus on the media's objectification of the female body, and *103 F* by Lee Grant Mullen explores the balance between fun and sensuality. Wakentaka, choreographed by Sue Bernhard, completes the evening.

Call Jones Box Office (829-2840) for reservations.
