

Camcard introduced to Meredith

by Christina Peoples

Last year the freshmen received new computer-made Meredith identification cards. This year these Camcards are serving us in many other capacities.

In the dining hall, resident students must use their cards as identification to get their meals. Commuters can take advantage of discounted meals in Belk Dining Hall.

The Meredith Supply Store allows students to purchase books, school supplies and Meredith paraphernalia. The transactions are quicker and easier than cash and check shopping.

Camcards can also be used in vending machines, photocopiers and for Cam-Tel payments. In the future, the cards will be used for laun-

dry machines, book check out in Campbell Library, voter registration in student elections and access to restricted areas.

A Secure Spending account is available through the Cam-Tel office. A student can deposit any amount and it will remain in their account until spent. If a student graduates or withdraws from school the balance goes to her student account and credit will be returned to the student.

If a card is lost or stolen the student's account will be kept on hold by notifying the Camcard office.

Students do not have to deposit money in a Secure Spending account; however, all students must have their Camcards activated for identification purposes.

Student Government Association seeks student to fill vacancy

The position of executive vice president/senate chair is vacant as Amy Bond will not be returning to Meredith, according to Camille Hatch, Student Government Association (SGA) president.

Responsibilities of the vice president/senate chair include leading Senate meetings, coordinating Open House weekend programming, serving as vice president of SGA and sharing vice presidential duties with the Honor Council chair.

Interested sophomores, juniors and seniors can pick up a job description and an application and sign up for an interview in the Office of Student Activities. Applications are due back in the Office of Student Activities by 5 p.m., Monday, August 31. If you need more information or have any questions, please call Camille Hatch at X7813.
