

Question of the week:

How do you feel about the image of the female body presented by the media in our culture?

compiled by Jetson

Betsey Powell
senior

"A lot of things the media has decided for us, and the ideal should be what we feel within."

Allison Phillips
senior

"The media's image is intimidating and unfair because you don't have to look a certain way to be anybody or do anything."

Bev Keith
junior

"Women get a bad shake. We're as good or better than men and strong in our beliefs."

Kathy Pierce
junior

"It's internal, not external. The essence of who we are comes from the inside not the outside."

Christi Stewart
sophomore

"I feel the media has created a female figure that's impossible for the standard woman to live up to."

Lori Watts
senior

"I think the media does have a lot to do with the image a lot of women try to aspire to, and I don't think that's right."

Nanette Rigda
senior

"I think people put too much emphasis on the physical appearance and not what's inside."

Debbie Poage
junior

"We've got a long way to go, baby."
