

## kin' 1994...

The freshmen finally "experienced it," and this Cornhuskin' was a winner for the entire class.

Dr. Carolyn Happer, history department, hastily shucks corn in an attempt to win this event for the faculty. Aw' shucks!!!

Meredith security caught this group of sailors staying a little longer than their allotted three-hour tour of the campus (and its angels). The sophomores really told us a whale of a tale!

# er year!
