

MEREDITH continued from page five

about what we do. All the policy really does is make Meredith a 'Four and a Half Day College' with everyone leaving on the weekends."

In closing, our committee will do our best to keep you informed about what the Task Force is doing; their committee is where the change process will begin. The Task Force will meet with the board of trustees on Mar. 13 and go from there. The Task Force hopes to have subcommittees already in place by then. As soon as I know who is on the Task Force, I will report back to the Herald, so look in next Wednesday's paper for the committee member list.

Thanks for your interest and support. Go ahead and get excited about Meredith's brighter future. With all of the facets of the college working together, there will only be positive changes made to enhance OUR MEREDITH!

Thank you,
Kelly Formy-Duval
SGA President
