

## Soccer team kicks off third season

By: Kimberly Zucker

The Meredith Soccer team is kicking off their third season with a scrimmage game at Meredith on August 29th.

The team is coached by Jose Cornejo, and he is thrilled about the upcoming year. He expects this season to be the team's best yet.

This year's team consists of 21 players, and there are 11 players on the field at a time. Positions on the field include forwards, sweepers,

stoppers, mid-fielders, and fullbacks. There are two halves lasting forty minutes each.

Of the 21 members on the soccer team, 12 of these girls are new members. Kelly Pergerson and Scottie Eustis are the senior co-captains. Both players are excited and ready to lead the team.

"I get a great fulfillment in playing soccer because of the relationships I make with the other girls and the challenge of being a team leader," Pergerson said.

The regular soccer schedule starts with a home game on September 5th against Mt. Olive College.

Coach Cornejo said, "This soccer year the future looks bright, and I hope the Meredith students come out to support the girls." He feels school support boosts the girls' spirit and lets the team know what a good job they are doing.

Fans can be there on August 29th and September 5th when the team gets the ball rolling!

**GOING FOR THE GOAL:** Meredith soccer team begins practice for the upcoming season.

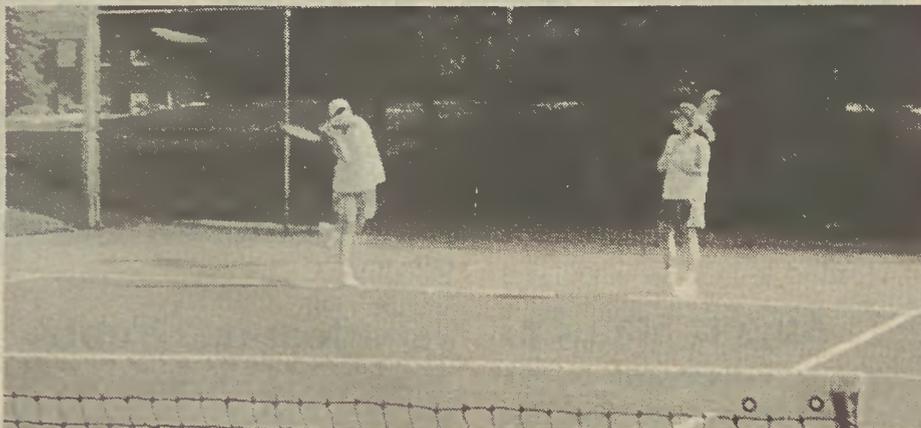

## Tennis team shows great potential for fall season

By: Ginny Bonkemeyer

The 1995 tennis team has great potential as they enter the fall season. Led by coach Melinda Campbell, the team is expected to be fairly strong in the region.

Tryouts are complete, and the tennis team is preparing for the fall season. "I'm looking forward to working with the team, and I'm excited about the possibilities," says Coach Campbell.

The team boasts returning senior Nikki Garner and juniors Kristy Harris and Brooke Ramos. They

stand strong with the returning group of experienced sophomores: Mia Ahn, Alison Drake, Sarah Huffman, Dorothy Livesay, and Holly Tharpe.

"A talented group of freshmen will make an impact on the program," says Coach Campbell. The freshmen team

members include Dana Flotkoetter, Ann Mebane, Anna Taylor, Natalie Thompson, and Elaine.

All students are encouraged to come out to watch this talented team. The first home match will be against Louisburg College on September 6.

Can age and treachery overcome youth and ability?

Come and watch our faculty misfits play the Meredith College Tennis Team!
