

Question of the Week:

What do you think about twenty-four hour lock-up in the dorms?

Tara Young

senior

I don't think it's a good idea.

Amber Cash

sophomore

I don't mind. I have my camcard with me at all times, I feel that it's safer.

Holly Shack

senior

Well, I don't live on campus. It's fine with me.

Nikki Illingworth

sophomore

I don't live on campus so I really can't answer,

Rebecca Davis

sophomore

I didn't really like it because it's a pain to always have your camcard with you.

Heather Lyman

junior

I think it's good because we need more security.

Camille Chambers

sophomore

It's okay with me as long as they make camcards free to replace since I lose mine all the time.

Beth Huber

senior

I think it would be good for safety. They were supposed to be locked during the fair but many of them weren't.
