

## GUIDELINES FOR OPEN HOUSE

1. All visitors, male and female must sign-in with the RA on duty in the first floor parlor.

2. A male guest must call the student to come escort him to the student's room. If the guest does not know the student's phone number, the RA on duty will call the student for the guest. Phone numbers will not be given out to any guests. Male guests must be escorted at all times by the Meredith student he is visiting during Open House. Unescorted visitors will be asked to leave campus.

3. All guests must sign-out as they leave the building. At 5 pm the RA's on duty will check the sign-in sheet and check on those students whose male guest have not signed out. Failure to sign-out will not result in a fine, however, should a student have a male in her room after 5, she will be subject to Honor Code violations as defined in the handbook.

4. Two RA's will be on duty in each residence hall. The RD on duty as well as the RD on back-up will be available if needed.

5. No outside doors will be locked during Open House. However, please have guests enter only through the first floor parlor doors. Again, any unescorted or uninvited men will be asked to leave the campus.

## !!! ATTENTION ALL STUDENTS !!!

It is time for you to say "yes" or "no" to proposing more male visitation at Meredith College.

A referendum will be held next Wednesday, Nov. 15th during lunch and dinner in Belk Dining Hall and from 10 a.m. - 1 p.m. in the Cate Center.

All traditional age, non-traditional age, commuter and resident students are strongly encouraged to come out to vote. In order for the referendum results to be valid, at least 25% of the entire students body must vote. This means that approximately 600 students must vote on Wednesday.

The results of this referendum will determine whether the Senate will or will not propose more male visitation to the Board of Trustees in the spring.

Don't miss this opportunity to place your vote!!

**\*\*NOTE:** This referendum is not to be confused with the surveys of resident and non-resident students. The survey information is being used to assist the Senate in drafting the referendum. No official votes are being tallied from the surveys. Votes will only be tallied from the Nov. 15 referendum.
