

Wicked: continued from page 6

prepared with a Merlot mushroom sauce. Along with the filet are garlic mashed potatoes and a steamed medley of zucchini, carrots and string beans. The filet is grilled to perfection. However, the garlic mashed potatoes and the Merlot sauce make this a dining experience to remember.

A grand finale to a wonderful dinner is always dessert! The dessert list is placed in front of patrons with or without request. The dessert descriptions are almost as satisfying as the actual taste. Selections include B-52 cheesecake (layered cheesecake: Kahlua, chocolate, traditional cream cheese, with cookie crust), chocolate mousse with fresh raspberries and raspberry sauce and a tropical Bavarian dessert, which is a must! I would suggest stopping by the Wicked Smile after the movies, or whenever, just for their tempting desserts.

At Wicked Smile you will find the food and atmosphere are spectacular. The service is efficient and personable, but not overbearing. I have been there three or four times since the opening. When I go in, they know my name. The original staff is still on board, which is conducive to developing loyal patronage and dependable service. When it comes to the price range at Wicked Smile, prices vary. A couple both ordering one drink, a salad and a main course can keep the bill under \$40.00. However, if you add an appetizer, a bottle of wine and dessert, the evening may become expensive. Wicked Smile is a unique culinary experience. The scenery and musicians alone warrant a visit.

**Are you graduating or transferring from Meredith this spring and have a Stafford or Perkins Loan?**

If your answer is "yes," then you need to make arrangements to attend one of the Exit Loan Counseling sessions scheduled the end of March. At the session, you will be given a packet of specific information about your loan history, which will advise you of when your payments will begin and how much your monthly payment will be. You will view a 15 minute film highlighting your rights and responsibilities as a student borrower; the session will end with an open discussion about repayment options and debt management strategies- and there will be time for questions.

Sessions are scheduled everyday during the week of March 25-29, from 10-11 a.m., in the Cate Center Auditorium.

If you have any questions, please call Carol Sanderson in the Office of Financial Assistance. at 829-2829
