Congratulations to all award 1996-1997 winners!

On Monday, April 14, Jones Auditorium was filled with parents, friends, and teachers of the academic award-winning women of Meredith College.

As people filed into the auditorium, a prelude played by Cookie Kirk, a re-entry student, floated through the air. Then, as the Jones Chapel bell announced the 10 o'clock hour, people settled into their seats, and Dr. Jean Jackson took the podium.

Jackson, Vice President for Student Development, welcomed all of the guests and expressed her congratulations for all of the day's award recipients.

She then introduced Melissa Blackwood, MCA president, who led the ceremony's invocation. After she was seated the actual award giving began as follows:
