MEA Comedy Night travels to Comedy Sportz

Around 60 participants gathered at Comedy Sportz Comedy Club last Thursday, Feb. 26, to enjoy the improvisational comedy of the Comedy Sportz players and subs from Jersey Mike's Subs.

"People seem to come out for comedians," said Lori Lapiejko, co-chair of MEA comedy night. "It was hilarious."

"It's always great to have the opportunity to laugh," said Cheryl Jenkins, MEA advisor.

"However, it was not a good night for lots of people, with State's last home game, tests and the week before midterms," said Kelly Tetterton, publicity chair for MEA.

"The turnout was good, although I would have liked to have seen every seat filled," said Jenkins.

Those who went enjoyed the two teams of improv comedians who competed against each other

in different games. The games were set around a baseball theme.

Rachel Parks, MEA treasurer,

said, "Comedy Sportz is a very friendly environment and allows for audience participation."

"I thought the best part of the night was when two of our Meredith students were asked to participate in one of the events,"

says Jenkins.

MEA had comedians on-campus last semester. MEA presented comedy night at Comedy Sportz "to give students a chance to get off campus for some entertainment" says Tetterton.

Tickets cost only \$5 which included the sub supper.

"MEA doesn't make that much money off of Comedy Sportz," said Parks. "Most of our fund raising is done through the White Iris Ball."

Coming up later in March, MEA is planning "Star Stage." Tetterton explained this event as "music videos starring Meredith students."

"Kinda like the ones you can do in amusement parks," she said. Tetterton added that the videos are free and "a lot of fun to do with your friends."

acrylic, and collage and is priced at 800 dollars.

"I was very excited to get in and be represented," Browning said. "It is a step in her career as an artist." Banker said there are some other young artists represented, but Browning is the only one chosen from Meredith.

Many of the artists attended the opening and seemed to be very pleased with it. Artist Henry R. Moreno, who lives in Raleigh and has two watercolor pieces on display, "Main Street Morning" and "Three Boats at Kanga Lake," said that he thought it was "a beautiful day and a beautiful show." His wife, JoAnn Moreno, also felt the show was "well done."

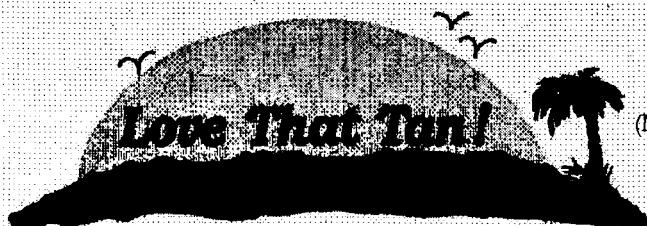

Margaret White, who lives in Chapel Hill and whose oil on linen entitled "The House in a Storm" won honorable mention, said she was very pleased that she got an award. White also said that she was thrilled that Wolf Kahn, the juror for the exhibit and her "living hero," got to look at her work.

Wolf Kahn was the one responsible for choosing all the work that went into the exhibit. Banker said about one out of every four artists who entered got in. In the catalogue which was available at the opening Kahn says he bases his "standards" on "spirit," "power of expression," and "being at home with where you are and who you are."

The catalogue was prepared by Nona Short and the pictures inside were taken from slides.

Banker summed up the importance of the gallery by saying that "for our art students and also general students, the show gives a good glimpse of some of the best work being done in North Carolina."
