## Team chosen for 1998 season

AMBER BUTLER  
Staff Reporter

The Meredith basketball team is looking forward to another successful season. Last year the team topped off the season with a 21-2 record.

The team welcomes the return of four strong seniors, including Mamie McKinny, a great post player and strong leader; Jamie Claypool, with keen defensive skills; Aedrin Murray, a speedy point guard and Wendy Cooper, a great shooter. The team also welcomes transfer student Leslie Roberts to the team as a solid post player.

The team also looks

forward to the return of juniors Beth Goodale and Julie Schramm.

Goodale brings to the team a 63 percent field goal percentage along with excellent post playing skills. Schramm will be welcomed for her remarkable 3 point shots.

Returning sophomores include Holly Lowman, Leigh Akers and Beth Gore, who is returning after her absence from a knee injury.

The new freshman players include Erin Cross and Ginger Moore.

Goodale stated that she "looks forward to another very successful year for the team."

## A reminder about parking regulations

MIKE HOKE  
Campus Police Chief

Parking Regulations are enforced seven days per week, twenty-four hours per day. As stated in the 1998-99 Meredith College Student Handbook, the following practices are specifically prohibited:

- Parking on the front drive (exception: commuter students may park on the front drive).
- Double parking.
- Parking on lawns, landscaped areas, sidewalks or other areas not set aside for parking.
- Parking in such a manner as to block traffic, parked vehicles or roadways.
- Parking in fire lanes, loading areas, emergency areas marked as NO PARKING ZONES,

including areas marked with diagonal yellow lines.

● Parking in an area designated for registration decals other than the one displayed (for example, students in faculty spaces or underclass' parking in senior spaces).

● Parking in visitors' area with a current Meredith decal.

● Parking an unregistered vehicle anywhere on the Meredith campus.

● Parking in a space reserved for residence directors and residence life staff.

● Residents parking in commuter spaces before 5 p.m. Friday or after 7 a.m. Monday.

No warning tickets are given. Parking fines are \$25; fines for parking in handicapped and fire lanes are \$50. Auto-boot and towing fines are \$50.

Unregistered cars will be auto-booted and will not be released until all fines are paid.

(An auto-boot is a device that clamps to the wheel of a car. Attempts to move a car with an auto-boot will result in serious damage to the car)

Campus parking privileges may be revoked in cases where a student repeatedly parks in reserved spaces.

Students may park in reserved spaces for a maximum of fifteen minutes to load or unload personal belongings. Four-way flashers must be left on.

Meredith College does not assume responsibility for any vehicle parked on campus.

Any questions concerning parking regulations, call Campus Police at x 8888.
