

Class of 2003 Senior Memories

I loved winning the spirit stick during Cornhuskin' '99 and '02. We have the real thing, girls!
We also had a blast during our many traditions, and especially during Ring Week and Ring Dinner. Remember car
raids at frat court and that An Onyx is Forever!

Although it's not a great memory for me, my class seems to love watching me do dizzy bat.
We won lip sync at STUNT '00 and '01.

The party on 03-03-03 night was awesome and the superlatives were too cute!

I loved that we were the first class to start Senior/Parent Night. May the tradition keep on going!
Most of my memories are separate from the BIG traditions at Meredith -- like dorm life, Make-A-Wish marathon,
class meetings (with V-acious and Mrs. Deane's food), and talks in the cafeteria.

Dori White

I will always remember our unique hall raids during Cornhusin' week. Instead of pots and pans, we danced down
the hallways singing to whichever song was playing on the boom box.

No other car raid will ever compare to the one we had during Ring Week. Once we turned the corner and headed
down Hillsborough St., I knew we were in for some fun!

I will never forget all of the fun we had in the dorms. Girl Fests, movie nights, long chats, Trivial Pursuit, snow
days...thanks for all the memories!

Megan Deane

I fondly remember so many goofy memories from freshman year, but the funniest is my suite's claim to fame. We
wanted to do the "make your own video" and sing "Bye Bye Bye," but we got to the Cate Center too late. We were all
upset, so we went back to the dorms moping -I mean we were ready to perform that thing! So, feeling sorry for us,
one of our friends on the hall decided to drag as many people as she could into the parlor to watch us perform our
version of "Bye Bye Bye." It was a totally embarrassing, hilarious moment that we are reminded of every time we hear
the song.

Allison Lowrey

I remember...

...living in the smallest room on campus my freshmen year with Camden.

...fire drill wake up calls.

...hall bonding and memories.

...some of the best and worst professors!

...freshman and junior Cornhuskin'.

...that the juniors didn't find the Crook. I WILL ALWAYS REMEMBER THAT!

...that Meredith will always hold a very special place in my heart, along with the friends that I have made that are
TRULY friends. You know who you are! I am out of here, but not for good!

With undying love for Meredith College...

Renee' E. Bass

My senior memory was one that happened just a few days ago at the Senior Induction Ceremony. We are now
inducted into the Alumnae Association and that was a very important event. I think it made us realize that our
time has come and we are really leaving this wonderful place and taking on a new role as alums!

Beth Jarvis

As I look back on 4 years I have spent at Meredith College, my best memory would have to be my friends. They have
always been there: through laughs, and tears, the stress and parties. I know that I have spent a fun time here at
Meredith, I will remember the memories but most of all, I will remember my friends. A few of those times with my
favorite friends: the "west" group, spring break freshman year, breaking up and wanting to kill ex-boyfriends, get-
ting in trouble because we're too loud at 1 a.m. during the snow storm, NCSU Frat Court, just call papa (Papa John),
powerhouse suite, purse club, bumpin' in B&G, late night trips to get food, following the State football team to the
Tangerine and Gator Bowls, living with Flossie, 2027 TKP, Home Horthy, Tuesday/Thursday lunchtime, spring break
2003=cruise ship, putting five girls into one dorm room during the ice storm, all the semi-formals, formals,
Cornhuskins, and STUNTS. I'm sure I have overlooked a few memories, but they will always be in my heart.
