The soccer team's winning streak continues as they recorded a 9-1 victory over Averett University on Sunday September 21.

The Angels clearly controlled the game and everyone on the team saw playing time.

Assistant Coach Leigh Ann Hasse stated, "We dominated the whole game and it was a well deserved win."

The Angels attacked aggressively from the beginning as they quickly moved the ball down the

field to earn a corner kick in the opening minutes. Freshman Margot Childs served the kick into the goal area and senior captain Annie Palmquist directed the ball into the back of the net for Meredith's first goal. The scoring continued as junior Katie Fuller used her speed to earn a break away and beat the Averett keeper for the second goal of the game.

"It's always fun to have games where a lot of people score. We were all very excited because this is the highest scoring game we've had all season," stated junior Leslie Bloem.

Also scoring for Meredith were junior Marci Strathmeyer and sophomore Mallory Hancock, who had two goals each, and freshmen CJ Barefoot and junior Ashley Ellis. Palmquist also contributed

another goal giving her two goals overall for the game.

The Angels' defense never allowed Averett the opportunity to create any sort of offensive attack. Averett's only goal came from a miscommunication in the Angels defense, which resulted in an own goal against the Angels.

"We knew that we were a better team, yet we had to continue to execute our game plan as if we were down seven goals instead of up seven," commented Hancock.

"We record another win and immediately start focusing on our next opponent. We will do what it takes to keep this winning streak alive," stated Palmquist. Meredith will face Greensboro College in Greensboro on Friday Sept. 26. The next home game will be Oct. 2.

## Isabel interfered with volleyball and tennis

Hurricane Isabel wreaked a lot of havoc on many college campuses last Thursday and Friday. The positive effect for students was cancelled classes on Thursday; however, school cancellations forced the rescheduling of a volleyball game and canceled tennis and soccer practice.

The Angel volleyball team was scheduled to have an away match at Salem College on Thursday. Luckily, Isabel did not strike earlier in the week so the Angels did get to com-

pete Tuesday in a home match against Pitt Community College.

It was a hard fought match, but the Angels pulled out the victory, 3-2. The match started off slowly with both teams playing evenly. After the first eight points, the Angels kicked it into high gear and quickly won the next two games. In the third match, Pitt rallied to barely beat the Angels for the next two games. With two tied games apiece, the Angels pulled out the win by four points (11-15) in the fifth and final game.

The volleyball team's next game is in Georgia.

They leave on Thursday for a weekend tournament. The next home match is October 6 at 7 p.m.

The tennis team also had a game this week; they played against Greensboro College on last Wednesday in an away game. The tennis team won the match 8-1, making their official record now 1-0. They will travel this weekend to the Memorial Tennis Tournament to play at 3 p.m., 8 a.m., and 8 a.m. Their next game is February 26 at 3 p.m.

Look for more tennis coverage in next week's *Herald*.
