What a difference two weeks make.

Headed into the game against Medgar Evers College in the consolation round of the Villa Julie Classic on January 8th, the Angels were struggling at 1-6. The tan from the Hawaii trip was starting to fade and a long semester loomed.

However, they pulled it together for a 78-43 victory and haven't looked back. Monday's 81-54 win over Peace is the Angels sixth straight, with four coming by 26 or more points. From 1-6 to 7-6, from doormat to dominant.

"We've played very well during this stretch," said Meredith coach David Zinn. "The Peace was our most complete on offense and defense. I'm very pleased and impressed by our team's resiliency with four games in the last six days."

the Angels first half surge against Peace with 17 of her 21 points. She was 6-9 from the floor with a pair of three pointers as Meredith led 39-27 at the break.

to just two buckets in 10 tries in the second half, however junior Autumn Metzger scored 15 of her game high 24 points to extend the lead.

"Autumn really stepped up for us," said Zinn. "Peace adjusted to Nicole, but Autumn hit some big shots to help us stay in front. I also thought Amira Issa played her best all around game in the two years I've been here."

Issa was the third Angel in double figures with 16 points and grabbed a team-high nine rebounds. Senior Laurie Mulqueeny added eight points and eight rebounds. Hall finished with seven rebounds, five assists and three steals to go along with her 21 points.

"It was a great atmo-

sphere," said Zinn. "There was a lot of emotion in the gym and our kids were fired up. Peace is a very good, well-coached, team and it will be a challenge for us over there next month."

Meredith is back in action Thursday at Methodist. The next home game is Feb. 2nd against Averett.
