Juniors Win 68th Annual Cornhuskin'

Julia Dent, Editor

Meredith College celebrated its 68th annual Cornhuskin' on Nov. 2. The seniors' theme for their final Corn was Just Keep Swimming, based off of the movie Finding Nemo. The skit followed the journey of fish Marla and Dora to find their friend Nema in time for "fishmencement."

The juniors chose to base their theme off the Harry Potter series and titled it Harriet Potter and the Unity Stone. Harriet Potter goes on a mission to find the missing heirloom with her trusty sidekicks Rhonda and Harmony in order to get their unity stones.

The sophomores' theme Flipped Friday came from the movie Freaky Friday. Sophomore Daisy and her big sis Iris switch places and must find a way to switch back before graduation.

The freshmen created their own theme and titled it Sweet Sixteen. Best friends Daisy Chain and Iris White want to plan the best sweet sixteen party on the network MCTV.
