EMPLOYEE OF THE MONTH

What can we say about our employee of the month? You can find her in our felling unit most of the time training new felling operators. You are right, she is our own Sherry Sentell.

Sherry is married to Bobby Sentell and resides in Silver Valley with her husband and 19 year old son, Ricky. Sherry came to work for Mr. Apparel in 1969 on joining fronts. In 1975 she was promoted to training instructor.

Her hobbies are sewing, travel, hiking and motorcycle riding. She also attends Jackson Creek Baptist Church. We are very proud to have Sherry as our Employee of the Month!
