

## COMMISSIONERS' MEETING, July 8:

The garbage situation is under control - Commissioners voted to award the contract to S. R. Sanderson of Swansboro who's been picking it up for a few weeks on an interim basis. MONDAYS AND THURSDAYS are the new pick-up days. Garbage must be on the street.

Commissioner Smith, in an effort to save taxpayers' money, has found a new meeting place for the Town: The Marine Resources Center will welcome the Commissioners there on the FIRST TUESDAY of each month at 8 p.m., free of charge. Bogue Banks Country Club had found it necessary to charge \$50.00 for rental of its facilities. The August meeting will indeed be held at the Marine Resources Center; turn right off Salter Path onto Bridge Rd., then take the first left to the center. The Commissioners' regular 2 p.m. Wednesday meetings will be on the THIRD WEDNESDAY from now on, instead of the last Wednesday, but still at the Town Hall as before.

Commissioner McCulley reported that the sign posts on the street corners will soon have new lettering on them.

Mayor Haller reminded Townspeople that 1976 license stickers are in order - some '75 ones have been seen still adorning front bumpers.

From PIKSCO comes the following report handed us by its Secretary, LUCY ELMENDORF:

PIKSCO's Annual Meeting was held Saturday, July 10, at the Marine Resources Center, and they voted on candidates for their Board of Directors: KERNEY SMITH and LT. COL ROBERT P. O'NEAL were elected to three year terms, and GEORGE KLOEK to a two year term.

Following the annual meeting, the Board met, re-electing Lt. Col. O'Neal Chairman of the Board, and electing Kerney Smith Vice-Chairman and Mrs. Lucy Elmendorf Secretary. Treasurer FRED HILTZ resigned from the Board due to pressure of other commitments, and RAY SCOGGINS, with the next highest number of votes as a candidate, was appointed to fill Mr. Hiltz's unexpired one year term. Then Mrs. MARY B. SMITH was appointed to serve as Treasurer.

During the annual meeting of members, a question of the legality of the revision of the by-laws under which the meeting was called, was settled with advice of legal counsel in favor of the revision.

Reports were made to the membership by the Acting Secretary, Treasurer, and Chairman, and by Mr. Scoggins, on work being done to improve the Knollwood Drive Ocean Park. This work was made possible by a gift from the Roosevelts and supervised by Mr. Scoggins.

A motion was passed to appoint a special committee to explore what changes may be advisable when the deed covenants expire within the next few years.

PS to PIKSCO report: RAY SCOGGINS tells us Knollwood Park is now paved, and the walks construction is underway now.

At the regular monthly meeting of the PINE KNOLL ASSOCIATION BOARD on July 13, a Canal Committee was appointed. ED CRUMLEY is its chairman, and it includes TED HEARTH, GEORGE MCNEIL, DON BROCK, VIVIAN MACDONALD, CURTIS JOHNSON, KEN KNIGHT, and MILTON YAECK, ex officio. On July 19 the committee met to hear the report of the survey of the canals made by a Wilmington firm, and plans future meetings soon regarding dredging and bulkheading possibilities.

MRS. G.N.W. JONES (MARGARET) was appointed to serve on the Architectural Control Committee, filling vacancy created when DANIEL VAUGHAN resigned, and DAVIS COOK was appointed Chairman of the Waterways and Embayment Areas Committee.

These Association meetings are held at the Town Hall, PKS, on the second Tuesday of each month at 7:30 p.m. and observers are welcome. PIKSCO, incidentally, meets only as the need arises.

CONSTRUCTION NOTE: RAY SCOGGINS, building inspector, announces that during the first six months of 1976, \$750,000 worth of building permits were granted

PKS'ers will have to wait until the 201st birthday to celebrate our bi-centennial; great dampness fell around us on the 4th and the races and frisbee festivities had to be put off. We trust the prizes will keep and that picnic planners JANET ROBBINS, MARY CATHERINE SMITH, MARJ AND FRANK JOHNSON,
