

Disposing of Cardboard

Cardboard boxes should be recycled—
NOT placed in the trash

Break down boxes and place them in your recycling bin. If you have a large amount of cardboard, please break it down and deposit it in one of the town bins located behind town hall and at Lot C adjacent to the Public Safety Building.

TOWN OF

PKA News

By Carolyn Brown Thompson

The 2019 annual meeting is fast approaching, and all Pine Knoll Association (PKA) residents are encouraged to attend. The meeting will be held at town hall on Friday, June 21, at 7 p.m., preceded by a social at 6:30. Candidates for three directors of the PKA board are needed. If you are interested in serving, please send a summary of your background and interests to PKAbox905@gmail.com.

PKA residents are also invited to attend PKA board meetings, held on the second Monday of each month at 9:30 a.m. at town hall. Attendance at the meetings is a great way to learn what is going on in your community and to be heard should you have comments or concerns. Another way for your voice to be heard is by sending your comments to the PKA mailbox, website and Facebook page as outlined below.

All PKA residents will soon be receiving a mailing that will include information concerning the annual meeting, a proxy ballot for selecting new directors and approving the proposed budget, and a bill for the annual HOA dues. When paying your dues, should you choose to use Bill Payer, please be sure to indicate your PKA address in the memo section on the check to ensure that your account is properly credited.

All homeowners are reminded that if you are contemplating any type of work on your property, you must connect with the Pine Knoll Shores building inspector or town planner and your PKA homeowners association to discuss your plans and to seek approval.

Residents and property owners along the canal are reminded that you are required to maintain your sea wall. Multiple properties have experienced storm damage and need repairs. Also, tree limbs and debris continue to be found in the canal. If you see something of concern, please report it to our office as shown below. Of course, if you can remove it yourself, please do so.

The number one complaint received by PKA has to do with boats causing a wake by traveling at excessive speed along the canal. Earlier signage indicated a speed of 5 miles per hour was adequate for no wake; however, upon further examination, many boats leave a significant wake at that speed. Therefore, you are requested to travel the canal at idle speed only.

A few work days are needed to make repairs to the siltum at Ocean Park and the center dock at Hall Haven. Please check the PKA website and Facebook page for a work schedule and volunteer accordingly. Any help you can give will be greatly appreciated.

PKA contact. Contact PKA by phone at 252-240-1717, by email at PKAbox905@gmail.com, via the website at pineknollassociation.com or by mail at PO Box 905, Atlantic Beach, NC 28512. Like us on Facebook at Pine Knoll Association Inc.
