

2019 PKS Easter Egg Hunt

Families and excited children gathered at Garner Park on April 21 for the town's annual Easter Egg Hunt, sponsored by the Parks and Recreation Committee. Thanks to BJ Peter for organizing the event and to those who donated candy and helped to fill and hide the eggs. A special note of thanks to Sweet Spot Ice Cream and Gifts in Emerald Isle for donating a large portion of the candy and filling over 2,000 eggs. As always, the Fire, Police and Public Services departments were a tremendous help in making this a successful event.
