Making it Official

At the Board of Commissioners meeting on December 11, Mayor Ken Jones (left photo) was sworn in by Town Clerk Sarah Williams. Commissioner Ted Goetzinger (left), accompanied by his wife, Marian, and Commissioner Clark Edwards, accompanied by wife, Martha, were also sworn in by the town clerk. All three officials were re-elected in November's election.

Happy New Year!

Seeking Volunteers for K4TW

By Jean McDanal

As we begin the New Year, we are already gearing up for the 2020 Kayak for the Warriors (K4TW) activities in May and June. Expanding our online presence has been good for us, but doing so means having to devote more time working with our website, other social media and registration.

We are currently looking for help in the following areas:

1. Someone to help keep our website up to date with changing information as necessary.
2. Someone willing to contact various publications, town offices, etc., to get the word out. Public relations is an important aspect of our events, and we have a list of contacts to help with this effort.
3. Folks to help sell tickets for the reception/ auction gala, lottery board, etc.
4. People to help with distributing the brochure in April.

If any of these volunteer positions interest you, please email me at jmcdanal@ec.rr.com or call 252-808-2998. Getting started now will make everybody's job easier. Your help with this worthwhile project will be most appreciated.
