

American Music Festival

By Linda Seale

As American Music Festival (AMF) continues its 30th anniversary season, Barbara McKenzie on piano and Caroline Stinson on cello will perform on March 7. Both are international performers of critical acclaim, having performed for AMF in the past, and last year Stinson joined the Ciompi Quartet at Duke. The duo's dynamic program in March includes the music of Debussy, Tower and Brahms.

The season's final performance on April 25 will be a special anniversary celebration with a mix of classical favorites chosen from a survey of members' favorite music and performers from the past 30 years.

Concerts are held on Saturday evenings at 7:30 p.m. at the First Presbyterian Church in Morehead City. Please note the time change from previous years.

Tickets are available at the door for \$32/adult and \$16/student, teacher and military. Single tickets may also be reserved before each concert by calling 342-5034 or can be purchased in advance by visiting AmericanMusicFestival.org and clicking on "Tickets" in the navigation menu.

Please plan to join us for world class entertainment right here in Carteret County. There is no need to drive or fly or pay high prices to see and hear marvelous chamber music. We hope to see you there.

Caroline Stinson and Barbara McKenzie perform on March 7.
