

# First Day of School 2020

Our children started the school year in challenging times, met differently by different schools. We wish them the best and hope getting back to regular studies—whether at home or in the classroom in a modified situation—will help things feel more normal as we move forward.

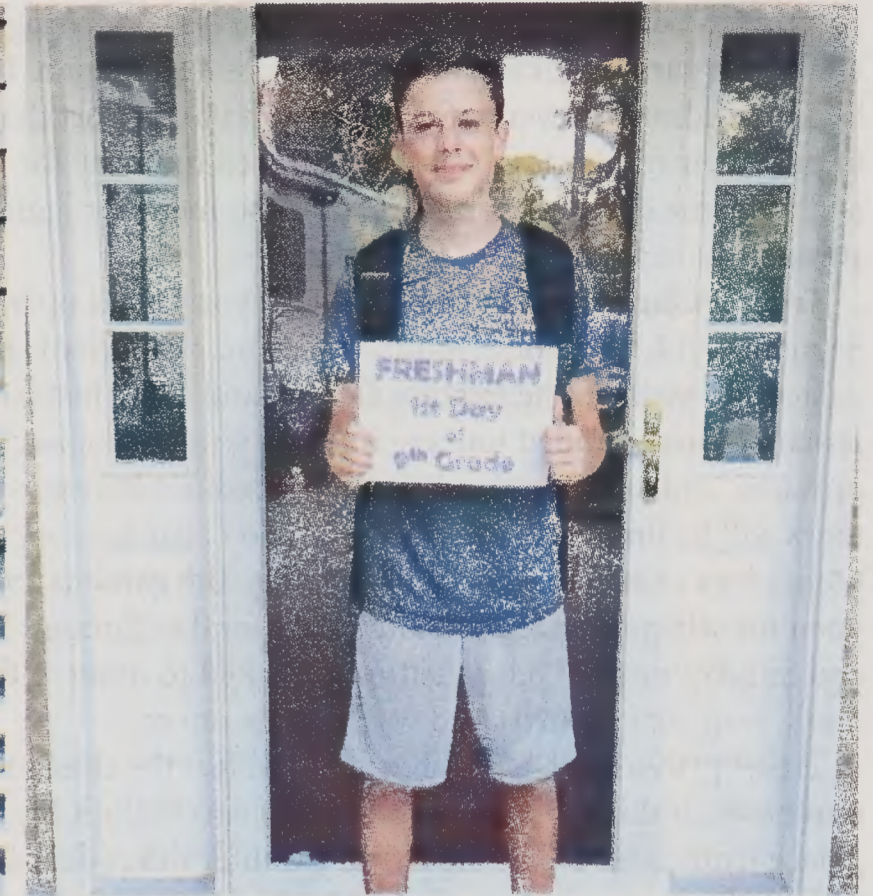

Fourth grader Ashlyn Everhart (left) and first grader Latham Everhart, children of Sarah and Zac Everhart, on their first day of school. Both children are homeschooled.
