PKA News

By Robert Cox

Halfway through the PKA year

For many, January 1 marks the end of one year and the start of a new one. In Pine Knoll Association (PKA), we are just halfway. Our fiscal year is June 1 through May 31. We are just now rounding the corner into 2021, and we have a few updates to announce.

Two new members were appointed to the Board of Directors last month—Barbara O’Cain and Bernie Williford. Both have been long-time members of our association, and both bring a wealth of knowledge and professional experience to our board.

Barbara is a lawyer with extensive experience in Human Resources and mediation. She received her BA in psychology and French from Emory University and her MA and Ed.S. in education from Georgia State University. Specializing in labor law, she received her JD from the University of Denver School of Law. As a global strategic advisor for SAP, Barbara has a diverse and accomplished background as a senior level human resources professional, labor and employment attorney, psychologist and court-appointed mediator. Barbara is now our new director and Covenants Committee chair.

Bernie is a West Point graduate and retired US Army Colonel and consultant. He served 29 years in the United States Army, Army Reserve and Army National Guard. Retiring in 2016, Bernie worked for 18 months at Marine Corps Aviation Depot at Cherry Point. Currently, he works as a contract staff process trainer and is also a certified diver and operates his own diving business. Bernie is now our new director and Communications Committee chair.

Rounding out our new management team is Cindy Smith, who took over the reins of our administrator position from Dennise Wolfe on December 1. Cindy is a long-time resident of Bogue Banks, having lived in Pine Knoll Shores, Atlantic Beach and Indian Beach, and she and husband, Allen, always felt their hearts were in Pine Knoll Shores. Cindy’s professional career has included business relations representative, N.C. Division of Vocational Rehabilitation; product compliance manager, N.C. Alcoholic Beverage Control Commission; and business manager, W. Stanley Rule, M.D., F.A.A.P. She has attended Auburn University in Alabama and Carteret Community College.

Now that we are past “half-time,” your management team is working hard on behalf of our members. We wish all a safe and prosperous 2021.
