New Town Manager Julie Anderson

Julie Anderson, who was selected to be the next town manager by the Pine Knoll Shores Board of Commissioners at its October 11 meeting, has been with the town for 16 years and has been front and center through natural disasters; a major financial crisis in 2008; scores of major decisions related to personnel, budgets and projects; and has the respect of leaders inside and outside the town. This photo was taken two months following Hurricane Florence in 2018. Julie stayed in town hall for 10 days, sending out messages and publishing videos of the damage to the town and helping plan and put into action our recovery plan. People from throughout the state commended her for her communications. These flowers were sent by a property owner thanking her for her actions before and after the storm. The effective date of Julie's transition to town manager is November 1, 2023, and she will be positioned to lead the staff heading into the New Year.
