A REMINDER ... Town Planning Board presentation of the Cama Land Use Survey results will be presented at a public meeting at the Town Hall at 7:30 p.m., Wednesday, January 28. Come and listen to the results and help guide the Board in the revision of the long range land use plans for the Town of Pine Knoll Shores.

STATE APPROVES

At the meeting of the Board of Commissioners on Tuesday, January 6, it was announced that

TOWN'S CAMA PROPOSAL

the state has accepted the town's CAMA Land Use proposal, and had approved a contract with

the town. The state has further approved a sub-contract between the town and Paul Foster, who will be the chief planner for Pine Knoll Shores.

Commissioner Ratliffe reported that he and Mayor Cleveland had met with State Department of Transportation officials to inspect the flooding situation which developed on Oakleaf Drive following the recent heavy rains. He said that state officials were very helpful in their discussions and suggested both short-and long-term solutions that could be expected to alleviate any future occurrence.

The Commissioners also accepted a suggestion from the Pine Knoll Shores Garden Club that would name the two courts in the new Christian subdivision as East Laurel and West Myrtle.

Building Inspector Bob Hope presented a report on the building activity for the last two quarters of 1980. He said permits had been issued for four dwellings, 47 condominium units and 11 miscellaneous structures and 1 occupancy certificate during the third quarter. In the fourth quarter, he said, permits were issued for eight dwellings, two commercial and seven miscellaneous jobs. The two commercial permits were for the extension of a waste water treatment plant in West Pine Knoll Shores and the new Carolina Telephone repeater building off Roosevelt Boulevard.
