

OUR NEW

Dee and John McCormick came from Greenville, Pa. Their new home is next door to the Councils at 129 Loblolly Drive.

NEIGHBORS

Dee and Jim are cousins. John had retired from his job as Superintendent of Bessemer and Lake Erie Railroad at Pittsburgh. He is interested in photography, fishing, golf, tennis, flying and playing country and blue grass guitar. Some time ago, Dee taught social studies. She likes sewing, reading and cooking. Both enjoy playing bridge. They have two married daughters, one lives in Florida and the other in West Middlesex, Pa. and one grand daughter.

Elaine and John Main live at White Ash Drive. They came from Brunswick, Georgia. He is Executive Officer aboard the "Primrose", a buoy tender, sailing along the North Carolina Coast. He has been in the Coast Guard for eighteen years. He enjoys golf, fishing, jogging and vegetable gardening. Elaine had worked as Director of Social Service in a nursing home in Brunswick. Her hobbies are tennis, reading, handicrafts, cross stitch, macrame, ceramics and cooking. Tammy, fourteen, is a freshman at West Carteret. Her interests are horseback riding, swimming, tennis, photography and French Club. Cindy, age ten, is in the fifth grade at Morehead Elementary and works on the school newspaper. John is nine and is in the third grade and his interest is in little league football. Both Cindy and John like bike riding and swimming. They have a bull dog, about a year and half old, named Bubba.

Virginia and Powell Mahaffey came from Florence, Mississippi, located 12 miles from Jackson, and now live at 203 Oakleaf Drive. They traveled up and down the coast and decided to settle in this area. Powell was a printer and had his own business. Although retired, he is working as a full time maintenance man at the Holiday Inn. He likes quail hunting, fishing, bridge and poker. At one time, Virginia worked as a bookkeeper and secretary. She enjoys reading, fishing, walking the beach, bridge and poker. They have two sons and one daughter and five grand children. They also have a great bird dog, a ten year old liver pointer, named Queenie. -----Olga Hedrick
