COMMISSIONER'S
MEETING

At the Commissioner's meeting of November 9, Commissioner Dixon gave his financial report stating that during October the Town had disbursed some \$22,000 and had received about \$49,000. The Commissioner was hopeful that there would be a 95% tax collection by the end of this calendar year.

Commissioner Gibson has received 3 bids for painting the exterior of the Town Hall. This work will be undertaken shortly. Resurfacing of the Oakleaf Drive bridge is to begin in a week or so. In addition, at the request of the Mayor, Commissioner Gibson will undertake a study of what would be involved in constructing a municipal parking lot near the Town Hall; particularly to accommodate boat trailers and the like in order to improve the general appearance of the Town. On Commissioner Gibson's proposal, it was decided to join with the State in a program for biennial bridge inspection, the cost to be shared with the State.

According to Commissioner Jerome, the Planning Board has proposed an amendment to the General Ordinances which would require that within 3 months after the expiration of the license of a "junked" vehicle, the owner must remove it or obstruct it from public view. The amendment was adopted.

A public hearing on various proposed ordinance changes will be held on December 14 at 1:30 P.M., to be followed by the regular monthly meeting of the Board. Details of these proposals will appear in the printed notice of the meeting.

Commissioner Jerome stated that 3 building permits were issued in October and that at the end of that month there were 17 private residences and 4 condominiums (consisting of 117 units) under construction in the Town.

Commissioner Johnson reported that the Rescue Squad had responded to 3 calls in October and he described their participation in the
