

Mayor Ken Haller joined Governor Jim Hunt in declaring June 3-9 as Garden Week in N. C. and the town of Pine Knoll Shores. All garden clubbers and anyone with a feeling for the beauty that flowers add to our state are encouraged to wear a flower during that week - even if you pin it to your bathing suit.

Mrs. O'Keefe expressed special thanks to Lola Council and her committee who planned, decorated, and served the birthday party. Others on the committee were Maxine Moeller, Helen Olsen, Betty Hickey, and Eleanor Engelmann, along with husbands Jim Council, Ed Moeller, Ed Olsen and George Hickey.
