VOLUME VI - Number 6

June 1985

Mary Korff - Editor

On June 11 a public hearing was held to discuss the budget which had been available at the Town Hall for inspection. One resident commended the Board for keeping the tax rate at 19¢ per \$100 evaluation. There were no other comments.

BUDGET Immediately following the hearing the commissioners, after some discussion of the \$15,000 item to automate office procedures, rejected an amendment to limit the provision to cover only a study of the need for automation.  
APPROVAL  
AND OTHER They then went on to approve the budget as presented.

BUSINESS Other business at the meeting concerned the proposed new tank to be constructed by the Carolina Water Service. The tank must be 130 feet high in order that it be the same level as the present tank and since this would violate the 50 foot limit in the ordinance, a public hearing will be held June 24 and 2:00 p.m. and the Commissioners will meet following the hearing to act on this.

Robert Youngblood and David Sledge were asked to bring in more detailed plans for the drainage of lots 1, 2 and 3 of Fairway Subdivision before approval could be granted to build on those lots.

The Building Inspector's report listed four new residential starts, 27 permits for the Episcopal Church property and eight miscellaneous permits. Eight certificates of occupancy were issued.

Commissioner Thompson reported that a new hydrant had been installed on Holly Road.

Mayor Hanan announced that pursuant to the public hearings held on Liquor-by-the-drink on June 10 the commissioners concluded that a referendum was indicated and a request has gone to the County to set one up.

----- o0o -----

Nearly a hundred swimmers were at Ocean Park on June 1 to witness the demonstration of rescue equipment arranged by the Pine Knoll Association. Demonstrators were: Ken Hanan, Pete Peterson and his father, John A. Peterson (a former lifeguard from Seaside Park, New Jersey), Fred Libby, Charles Hammond, Fred McCall and John Shedd.
