LAND USE PLAN INPUT NEEDED

A special meeting of the committee now working on an update of the Land Use Plan will be held October 7 at 7:30 p.m. in town hall, the purpose being to discuss progress already made and to receive citizen input as to goals and objectives. All concerned residents are urged to attend and to participate in the workshop.

SHOULDER IMPROVEMENT CONTINUES

Phase One of the shoulder stabilization program in town has been completed. The Contractor is planning to fertilize and seed the areas where fill has been placed within the next few weeks and adjacent property owners should do everything possible to discourage trucks from disturbing the newly-seeded areas.

Property owners wishing to seed the new fill areas themselves are urged to do so, but should place markings on seeded areas so the contractor does not scarify, fertilize or seed them twice.

INFORMATION BROCHURE COMING

The Community Appearance Committee has compiled a new brochure designed to inform prospective residents, new arrivals, etc. of a variety of data regarding facilities, organization, ordinances, association covenants and similar material needed for a long time.

Designed by Mary Doll, the pocket-sized handout will be available shortly at Town Hall and at various real estate firms.

LIQUOR-BY-THE-DRINK PASSES

Establishments in Pine Knoll Shores have already applied for a license to sell liquor by the drink as a result of the referendum held on August 27th.

Neither side mounted a campaign this time around and, as a result, only 43% of the registered voters cast their votes. It passed with a margin of almost two to one, however, as 223 voted for and 114 against the measure. Brown-Bagging is definitely "out" in Pine Knoll Shores now with the exception of Bogue Banks Country Club where it is still "in". A lot of us are about to unlearn some learned behavior.
