

School on Saturday, November 16 at 11:00 a.m. Mr. Thomas brings fabulous materials which he offers for sale after the program. Get your tickets early for this event which is sponsored by the Club as members of the Seashore Council of Garden Clubs. Tickets are \$6.00 and available through Irene Doreaus (247-4360) or Vivian Macdonald (247-4266).

Program for the day was a delightful Auction under the direction of Rachael Mangum with a big assist from Auctioneer Hizzoner Mayor Ken Hanan. Both indoor and outdoor plants were donated by Club members and spirited bidding resulted in a tidy sum to be used in the future for a garden therapy project at some health facility.
