

Now that we've gotten through Christmas - let's think Spring! Lenore Roberson - phone 247-4190 - Project Chairperson for the Club - is taking orders from town folks only for the beautiful crape myrtle plants - watermelon red - 3 to 4 feet tall bare-root plants - \$5.00 per plant - which would look so pretty throughout the town. I guarantee you they are hard to kill - just plant them in full sun - throw a bit of York County fertilizer around them when you think of it. Lenore will welcome your orders - does deliver but neither she or Robbie do the planting. Litter Chairperson Louise Jolitz says to tell you all when you see a bit of trash on your street -- don't "litter be" - pick it up - destroy - and help the Garden Club "Keep Pine Knoll Shores Beautiful".

Clark joins me in wishing each and everyone a "SUPER HOLLYDAY"!

Lois Lane.

PINE KNOLL ASSOCIATION

Recently, one of the Association members observed an attempt to force open the gate at Ocean Park. The license number of the vehicle was taken and reported to the police who traced it, thereby enabling a warning to be given to the offender. Fortunately, no damage was done in this instance, but the importance of citizen responsibility when observing illegal activity is commended and all residents are urged to advise the authorities in similar situations.

PINE SHORES WOMEN'S CLUB

The Galley Stack Restaurant was the scene of the Christmas luncheon on December 6th, attended by many of our members and spouses. The lovely poinsettia plants used as the table decorations, were given as "door prizes" to ten lucky ladies.

Our next meeting will be held on January 26th at 10:00 a.m., Town Hall and we'll have someone from "The President's Club" of the Carolina Telephone's Speakers Bureau, discuss the changes in the industry.

Please don't forget to get a reflector shoulder band to be worn to alert drivers when you're jogging, bicycling or walking. They may be obtained by calling either Joan Libby, 247-2039, Ceil Sullivan, 247-4858, Verna Armstrong, 247-6261 or Mary Heim. 247-6381. (Editor's note: Mary's number was incorrectly given in last month's Shore Line so please make note that it is 247-6381)
