

TEN YEARS AGO IN THE SHORE LINE

New Neighbors welcomed were Elwood and Ann Ratliffe.

Ray Scoggins, building inspector, announced that if you want to cut your own firewood he will tell you where you can find it.

RESIDENTS EXTEND THANKS

Tony and Yolande DeVivo had many nice things to say about their neighbors and friends who were so helpful during his recent illness. They want them all to know.

PINE KNOLL SHORES GARDEN CLUB

HELP!....Pine Straw needed to mulch the plantings at Mimosa Boulevard and Salter Path. Any of you good people who have some or wish to donate please call Lois Jean O'Keefe - 247-4100, who is in charge of the Garden Clubbers making this spot "purty" for the benefit of all.

The March meeting was a presentation by Don Dupresne, Agricultural Extension Agent for the County, and most informative. He dwelt mainly on vegetable growing and mini-gardens and provided the group with great tips - you know - there are different fertilizers for root crops and leaf vegetables. Also, what do you do about nematodes, etc. It's kinda fun to plant and growsomp'n - plus I'm told it keeps you out of trouble.G.S.M.V.R's!

My lower forty is planted with corn and beans and I can't wait for results.

The April program, arranged by Rachel Mangum, Program Chairperson and also V.P. of the Club, has arranged a day which I'm sure we won't forget. We're gonna "hit the trail", replete with bug spray and snake boots! "Nature Trail" - that is. Will report on that e later after the fact. It should be fun. Clark just took off for the wild blue!

Also - it is tourist season and litter is going to be bad. You all can help the Garden Club gals who are out weekly picking up the stuff. When you see some of that in your area, don't Litter be - help KEEP OUR TOWN BEAUTIFUL. Pick it up! Thanks. Besides, it's good exercise.
