CORINNE W. GEER - 10 YEARS AT PINE KNOLL SHORES!

On February 15th a surprise party was held in honor of Corinne W. Geer, Town Clerk. Mayor Kenneth A. Hanan, members of the Board, and town employees were present. Sonny Geer, Corinne's husband was "sneaked in" to add to the surprise.

Mayor Hanan presented Corinne with a corsage and silver tray in appreciation for her 10 years of dedicated service. She was also given the plant that served as a centerpiece for the luncheon table.

A wonderful meal was enjoyed by all. We wish to thank Erma Johnson for the delicious turkey and Waldorf salad she prepared.

Corinne was truly SURPRISED and happy to have been remembered. We look forward to working with her for many years to come!

LIBRARY COMMITTEE ORGANIZED

About thirty people, including representatives from Atlantic Beach, Indian Beach and Emerald Isle, came to the organizational meeting held at the Town Hall on March 1st to study the problems involved in maintaining a library on Bogue Banks. Commissioner Emily White had been appointed by Mayor Hanan to organize such a committee with the hope that when the Bogue Banks Library must vacate the space in the North Carolina Aquarium it would not be lost to us.

Dr. Ned Smith, Director of the Aquarium, told the gathering that it was with the "greatest reluctance" he had notified the Tri-County Library Board that the Aquarium could no longer spare the space now being used by the library. He said that he had been under pressure from Raleigh to do this and had been for the last two years. He said it had been a happy association of mutual benefit but that they just could not meet their commitment to the people of North Carolina within the confines of the space they are now using. He gave the library a year to find a place to relocate.
