

wildlife calls. We're trying to keep the Goetzinger's home number free for personal calls. Thanks!

We are building enclosures for our permanently disabled, educational birds, which include a kestrel, a screech owl, and a red-shouldered hawk. Please call if you have vinyl-coated welded wire or treated lumber to donate.

Support O.W.L.S. by wearing one of our new, hot-off-the-press Tee shirts. They are available in short sleeve [\$10.00] and long sleeve [\$13.00]. Well known illustrator Val Page donated the charming artwork, and 3 local merchants have agreed to stock our shirts. They are: Strawberry's on Highway 70 [short sleeve only], Cut Loose Salon in Atlantic Station, and Wild Birds Unlimited in Swansboro. All profits go to our building fund.

ANIMAL PROTECTION LEAGUE BENEFIT

The third annual benefit sale sponsored by the Crystal Coast Animal Protection League will be held on Sunday, January 29th at 2 p.m. at Abe's Auction House, Newport [by the stop light]. You may inspect the merchandise--both new and used to be available--at 1 p.m. so you will be ready for the auction at 2. Local merchants have made contributions as well as private citizens. There are even some gift certificates. Better come see.

Proceeds will go toward the spay and neuter program.

AIR PORT SERVICE

Two of our police officers will make themselves available in their free time to drive you to the airport. If you are to be away so long you do not wish to leave your car at the airport this is a convenient way to solve the problem. They will drive you there in your car, take your car home and put it away and then will come to meet you when you return. The fee for this varies according to circumstances but you can find out what it costs by calling them. Right now it is Bob Hamilton and Andy Macklin offering this service and you can reach them by leaving a message at the police department at the Town Hall.
