

FROM THE LIBRARY

Bogue Banks Public Library's steel framework is rising rapidly, but the Friends of Bogue Banks Public Library have not yet reached the half-way point in our goal to raise \$40,000 to furnish and equip the new library. Personal contributions have been received from 108 Pine Knoll Shores families, and six local businesses and organizations have donated to the fund, helping to bring the net receipts to slightly over \$15,000. The response from the other communities on the island and from businesses throughout the area has been very encouraging, but we have a long way to go in less than two months if we want a library of which we can all be proud. We know there are many more residents and property owners in Pine Knoll Shores who appreciate the importance of this wonderful new facility to everyone on Bogue Banks, and we know that you just haven't gotten around to mailing in your contribution. NOW is the time to get around to it! Send your check TODAY!

CAROLINE RODERICK

PINE KNOLL VILLAGE PROFESSIONAL CENTER

The Pine Knoll Village library, retail professional center is now under construction on Salter Path Road in the town. The site is on that tract of land located on the corner of the intersection of Salter Path Road and Pine Knoll Boulevard. The initial building will be a two-story building consisting of approximately 13,000 square feet, steel frame construction with brick veneer and extensive exterior glass. The site development plan includes a branch of the Wachovia Bank and a restaurant.

ANCIENT MARINERS

The telephone committee is busy contacting all the Ancient Mariners of the 88-89 season. The officers want to know whether they intend to bowl again this year and to let them know about the kickoff dinner on September 19th. If you are a bowler and haven't heard by the end of the month contact either President Ann Hitch, 247-6262 or Secretary Dot Herbst, 247-2879.

Non-members who wish to bowl with the group should call Dot Herbst [247-2879] at the earliest opportunity. You need only to be a resident of Pine Knoll Shores to be eligible.

If there is room you'll be put on a team. If not, you can substitute until there is an opening. Join up for a season of fun!

MARY C. KORFF

TURTLE COUNT

As we go to press there are but three turtle nests found in Pine Knoll Shores. We reported 2 last month. The Mayor and Yola have found the third. This should hatch just before the first frost in the fall.

M.C.K.
