

# THE SHORE LINE

## Editor's Corner

Jim and I hope that all of you have had a wonderful summer and are ready for a great fall! Cool days and evenings. Doesn't that sound delightful! It is hard to believe that it is September already, less than 3 months until Christmas. We'd like to take this opportunity to say that after doing the Shoreline for 3 months we are finding it more and more of a challenge. We need articles, and input for the Shoreline. We have been asked that the New Neighbor Column be continued. If you know of anyone who is a new neighbor and/or would like to be a contributing reporter to the Shoreline, please contact us.

It has come to our attention that there is confusion on when and where to submit articles for the Shoreline. Articles for the Shoreline are picked up at Town Hall the Thursday after the Town Board Meeting. Therefore, articles for the November Shoreline must be at Town Hall no later than 4:00 PM Thursday, October 15. We have also been apprised of a problem on the date of the Shoreline. When the Shoreline is received by the

The Fruits of Fall

printers it is a minimum of 4 work days for printing, labeling and sorting. Bulk mail takes another 2 days. Therefore the Shoreline is received at the end of the month which accounts for the date problem. So as you can see we are changing the date of the Shoreline starting this month. This month is September/October. We then will be on schedule. Sincerely,

*Ellen G. Jones*  
**FROM THE MAYOR:**

Many Thanks to Claire Winslow and the Pine Knoll Shores Garden Club. After many phone calls to the Department of Transportation and the Grey Electric Company, Salter Path Road has been cleaned of all the litter. The Adopt-A-Highway Sponsor, The Grey Electric Company bagged all the litter and trash on Saturday, September 5.

## First Meeting
