

◆ The Shoreline ◆

Volume 5 Issue 7

July 1993

◆ EDITOR'S CORNER

Is anyone hot out there? I must say that summer has arrived with a bang! What happened to Spring? I know that everyone is aware now that Summer is here, so are tourists. This means traffic, lines in restaurants and the grocery. When you get frustrated, remember this is all good for our economy and that its just a little while. I for one get a kick out of people who have not been here before and just cannot believe how lovely our island is. Have a safe and happy summer!

Call: Kim Riley - 247-6673

On July 4th, 1990, 29 children and adults gathered at Garner Park to participate in the first annual PIKSCO July 4th Parade - with decorated bikes and wagons, flags waving and music playing, the group marched through town streets full of patriotic spirit. Afterwards, the Pledge of Allegiance and a nice cold soda with old and new friends rounded out the fun. Each year the parade has grown in numbers, we've added brownies for afterwards and, last year we had a police escort! The parade is for children of all ages. Please join us this year on July 3rd, 10:00AM, at Garner Park. Bring a cold drink and your best July 4th enthusiasm. The parade will travel west on Oakleaf from Garner Park to Juniper, right on Cypress, right onto Cedar, then right down to Oakleaf, return to Garner Park. Should you wish to a spectator, we'll see you along the parade route. Be sure to give me a call if you need further information.
