Island, 1 in California, 1 in Texas and I in Hickory, NC. Along with these, they have 22 grandchildren. Three years' ago, they were searching for a retirement area and had come to Fairfield Harbor outside New Bern. While having dinner that weekend at the Harvey House, they spoke with a couple at the next table who said "Heavens, look at Pine Knoll Shores - the only place," so Anne and Dick drove a little farther to PKS and said, "Yes, this is the place." What Anne and Dick would like to do is to re-meet these folks who spoke to them at the Harvey House and say, "Thank-you." These people were staying in New Bern for the weekend on their boat and were from Pine Knoll Shores. If you remember this, please call Anne. Anne and Dick always pictured someday when they retired, to live in a house on the beach with a golf course in the backyard. They surely got their wish. Dick loves to golf, fish and go to the VFW. He also serves on our volunteer fire department. Anne enjoys golf and the beach, both winter and summer.

105 Heron Lane, Beacon's Reach, is the newly built home of **Nancy and Don Forster**, who moved here in May from Long Island. They originally retired to the Adirondacks but got tired of the hard winters. They visited Nancy's father, who has a condo in Beacon's Reach and fell in love

with the area. They both worked for Suffolk County Water Authority where Don was a supervisor and Nancy was the Suffolk County Bill Collector. They have 3 sons and 1 daughter and 13 grandchildren, three of whom live on Long Island and one in upstate New York. They both enjoy fishing, Flea Markets and garage sales. They also plan to do more fishing and bowling.

She has one daughter, Jo Ann, in Pine Knoll Shores, and one son, Eugene, in San Diego, CA. She has 5 grandchildren and 5 great-grandchildren. Wood Chips/mulch available

A small pile of wood chips/mulch from clearing town street rights of way has accumulated near the cardboard recycling containers just off the parking lot at Town Hall. Citizens are welcome to use this material, which is available on a first come first served basis, at no charge.

Household Hint

In October, the Carteret County Landfill was closed and the Coastal Regional Solid Waste Management Authority became officially active for disposal. Special arrangements will need to be made for disposal of "White Goods". When purchasing any household appliance, citizens are cautioned to be sure that the vendor will dispose of the old appliance. Citizens can expect to be charged an extra fee no matter how disposal is arranged.
