OCTOBER BOARD OF COMMISSIONERS MEETING

PUBLIC HEARING

Before the November 10 Board of Commissioners meeting, there will be a public hearing at 2:00 p.m. to consider an amendment to the 1991-1992 Land Use Plan to clarify marina construction policies and to consider ocean setbacks from the town Zoning Ordinance.

Note the monthly Board of Commissioners Meeting will be Thursday November 10. The meeting date was changed because Election Day is Tuesday, November 8. The polling place is the meeting room at Town Hall.

BEACH RENOURISHMENT

At the request of the Beach Renourishment Committee, and upon the recommendation of the Planning Board, Commissioners voted unanimously at the October meeting to apply for a major CAMA permit for beach pushing.

WATER SERVICE COMMITTEE

At the request of Commissioner Gallo, the Board of Commissioners voted to authorize the Water Committee to engage an engineer to investigate the condition and value of the water service and make recommendations of possible alternatives for water service. The committee has met with officials from the Towns of Atlantic Beach and River Bend, and the Bogue Banks Water Company.
